ANNEXURE- IV**MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS****Industry overview of Roofing products**

The roofing industry is a dynamic industry, with new innovations, materials and tools cropping up on a regular basis. The growing domestic construction industry and the booming industrial sector are together seen as the major driving forces behind the increased demand for roofing products in India. Increased construction in urban areas and infrastructure development activities have kick-started the demand for modern, efficient roofing systems.

Market trends

- There is a wide spectrum of roofing materials, which are used for different structural, aesthetic, economic and performance reasons.
- Roof designs have developed from just being a weather performance element to an architectural trademark that can be environment friendly, structurally sound, reasonably priced and aesthetically attractive.
- Major shift is observed from pakka concrete slabs, clay tiles and conventional roofing system to metal cladding solution.
- Customers are looking for architectural solution which provides innovative shapes such as convex, concave in addition to new attractive colours. Airports, warehouses, metro stations are some of the examples.

Growth Drivers

- Aesthetics, superior technology, durability, thermal efficiency, light weight, speedy work are some of the significant driving factors for coated sheets.

PEB: A Boon for Building Industry

The Indian Construction Industry has witnessed a growth trajectory quite comparable to the development of the overall economic infrastructure of the country. The Indian Pre-Engineered Steel Buildings (PEB) market is experiencing consistent growth fueled by infrastructure development and the increasing popularity of PEB systems in the industrial sector.

Looking into the time frame of tight project schedule, PEB structures can be used for tenders to deliver quality, esthetic, structural flexibility & ultimately promote usages of steel over concrete. The other advantage of the PEB structure is that steel can reduce carbon dioxide emission which will minimize pollution. PEB buildings are environment-friendly and energy efficient and are created with a high proportion of recycled content i.e. 70-80 per cent.

Additionally, NAMO's focus on infrastructure with the development of railways, airports and roads will create huge business opportunities. The Government is also appraising and clearing the long-held projects that will create the need for the PEB as it can help in completing these projects in a short period of time.

PEB INDUSTRY

India has the second fastest growing economy in the world and a lot of it is attributed to its construction Industry in its economic contribution to the nation. In its steadfast development, the construction industry

has discovered, invented and developed a number of technologies, systems and products; one of them being the concept of Pre-engineered Buildings (PEBs).

The scope of using PEBs ranges from showrooms, low height commercial complexes, industrial building and workshops, stadiums, bridges, fuel stations to aircraft hangers, exhibition centers, railway stations and metro applications.

PRODUCT PERFORMANCE

Company continues to operate only in one segment i.e. Manufacturing & Trading of Roofing related products and there is no change in the nature of business of the company. The product Performance during the Financial Year 2019-20 as under.

FUTURE OUTLOOK

Steel buildings are the fastest systems of industrial construction today and are popular all over the world in the form of Pre-engineered Buildings (PEB). PEBs are custom-designed, expandable, durable and maintenance free. Construction activity, including those of industrial and commercial buildings, is likely to gain momentum over coming quarters. With a clear shift towards PEBs from conventional structures, the PEB segment would grow faster.

PEBs are delivered as a complete finished product to the site from a single supplier with a basic structural steel framework with attached factory finished cladding and roofing components.

PEBs have hit the construction market in a major way owing to the many benefits they possess. They exemplify the rising global construction, technology and while they oppose the practice of conventional building construction they simultaneously have taken it to a higher level too.

One can see their optimal use in warehouses, industrial sheds, sports facilities, air ports, etc. The Delhi Airport and the metro projects of Delhi, Bengaluru and Mumbai are also examples of PEB applications.

RISKS AND CONCERNS

The business is also dependent upon the policies of the Indian government and any change whether positive or adverse, has a direct impact on the Company's business.

The Company's operations require substantial amount of raw materials and the same are exposed to volatility and fluctuations in prices and availability.

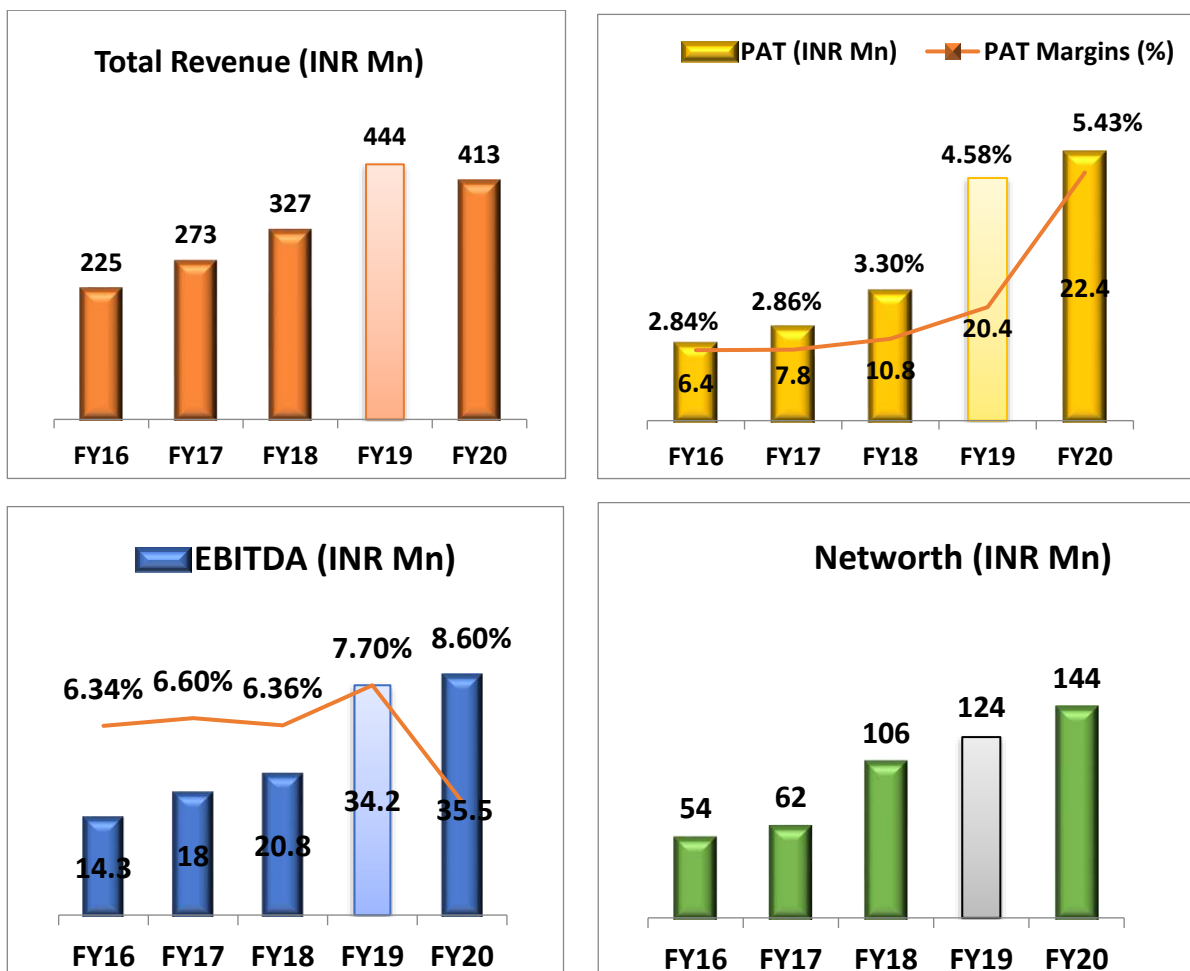

Competition from the unorganized sector with questionable standards and high transportation costs are also one of the concerns in the construction industry.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an internal control system, which ensures that all transactions are satisfactorily and effectively recorded and reported. The Internal control systems are supplemented by an internal Audit system. The findings of such internal audit are periodically reviewed by the management and required actions are being taken for the same. The Audit Committee of the Board meets at regular intervals and addresses significant issues raised by both Statutory Auditor and Internal Auditor.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The turnover is decreased from 4447.02 to 4132.30. Profit after tax during preceding financial year was Rs. 203.82 Lakhs and the Financial Year 2019-20 it amounted to Rs. 224.18 Lakhs.

INDEPENDENT AUDITOR'S REPORT

To the Members of

M/s. BANSAL ROOFING PRODUCTS LIMITED

Report on the Financial Statements

Opinion

We have audited the financial statements of **BANSAL ROOFING PRODUCTS LIMITED**, which comprise the balance sheet as at **31st March 2020**, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2020** and profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statement we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Emphasis of Matter

We invite attention to Note No 10 to the financial results regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and the assessment made by the management on its business and financials, including valuation of assets, policy liabilities and solvency for the year ended March 31, 2020, this assessment and the outcome of the pandemic is as made by the management and is

highly dependent on the circumstances as they evolve in the subsequent periods. Our Opinion is not modified on the above matter.

Other Matters

Due to the COVID-19 pandemic and the lockdown and other restrictions imposed by the Government and local administration, the audit processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium. Our opinion is not modified in respect of the above matter.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give

in the "Annexure – A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Bansal Roofing Products Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **BANSAL ROOFING PRODUCTS LIMITED** (“the Company”) as of **March 31, 2020** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2020**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2020

1) CORPORATE INFORMATION

The company is engaged in the business of manufacturing and selling of Colour coated roof sheets, FRP roof sheets, Polycarbonate sheets, Turbo Ventilators, PEB (Pre-Engineering Building) and other miscellaneous Roofing Accessories.

2) SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles(GAAP) under the historical cost convention on the accrual basis GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act,2013 ('Act') read with Rule 7 of the Companies(Accounts) Rules,2014 and guidelines issued by the Securities and Exchange Board of India (SEBI).Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Use of Estimates:

The preparation of the financial statements inconformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the Group to estimate the efforts or costs expended to date aproportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives of tangible assets and intangible assets (No need to disclose examples).

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

3) REVENUE RECOGNITION

3.1 Sales and Services

Revenue from sale of goods and services is recognized when the significant risks and rewards in respect of ownership are transferred by the Company inclusive of GST.

3.2 Other Income

Other income is recognized on accrual basis except when realization of such income is uncertain.

4) TANGIBLE ASSETS AND CAPITAL WORK IN PROCESS

4.1 Tangible Assets are stated at cost, net of GST credit, if any, after reducing accumulated depreciation until the date of the Balance Sheet. Direct cost are capitalized until the asset are ready for use and include financial cost relating to any borrowing attributable to acquisition of the Tangible assets.

4.2 Capital work in progress includes the cost of Tangible assets that are not yet ready for the intended use and the cost of assets not put to use before the Balance Sheet Date.

5) DEPRECIATION

5.1 Depreciation on tangible assets is provided on the straight line method Over the useful lives of assets. Depreciation for assets purchased/sold during the year/period is proportionately charged. Intangible assets are amortized over the irrespective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available for its use. The Management estimates the useful lives for the other fixed assets as follows:

Factory Buildings	30 years
Plant and machinery	3-15 years
Office equipment	5-10 years
Computer equipment	6 years
Furniture and fixtures	10 years
Vehicles	6 years
Borewell	15 years
Solar Equipment	15 years

Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Depreciation and amortization methods, useful lives and residual values are reviewed periodically, including at each financial year end.

6) IMPAIRMENT OF ASSETS

An impaired loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

7) FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realize gain and losses on settlement of foreign currency transactions are recognized in the profit and loss account under the natural revenue head of accounts. Exchange differences relating to fixed assets are capitalized to respective Fixed Asset.

8) INVENTORIES

Stock of Raw material and WIP is valued at cost, Finished goods are valued at cost or market value whichever is less. Cost of raw Material and finish goods includes the purchase cost (net of any taxes on which credits are received or receivable) and other incidental cost, to bring such material to its present location and condition. The Company follows First in First out (FIFO) method for valuation of inventory.

9) EMPLOYEE BENEFITS**9.1 Defined-Contribution plans:**

Defined contributions to Provident Fund and Employee State Insurance Corporation are charged to the statement of Profit & Loss of the year, when the employee renders the related service. There are no other obligations other than the contribution payable to the respective statutory authorities.

9.2 Defined-Benefit Plans:

Employee Gratuity Fund scheme is the Defined Benefit Plan. Provision for gratuity has been made in the accounts, in case of those employees who are eligible for the retirement benefits. Gratuity is paid at the time of retirement of employees. Provision for gratuity liability is provided based on Valuation made by LIC of India.

Short term Employee Benefits like leave benefit, in any, are paid along with salary wages on a month to month basis, bonus to employees are charged to profit and loss account on the basis of actual payment.

a) Post-employment benefits**i) Defined Contribution plan**

The Company's contribution to defined contribution plan paid/payable for the year is charged to Statement of Profit and Loss.

ii) Defined Benefit plan

Company's liabilities towards defined benefit schemes are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the balance sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period of occurrence of such gains and losses. Past service cost is recognized immediately to the extent that the benefits are already vested and otherwise it is

amortized on straight-line basis over the remaining average period until the benefits become vested.

The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as reduced by fair value of plan assets.

b) Short-term employee benefits

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized undiscounted during the period employee renders services. These benefits include salary, wages, bonus and performance incentives etc.

c) Long term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as an actuarially determined liability at present value of the defined benefit obligation at the balance sheet date.

10) TAXES ON INCOME**10.1 Current Tax –**

Provision for current tax / minimum alternate tax (MAT) is made based on tax liability computed after considering tax allowances and exemptions.

10.2 Deferred Tax –

Deferred tax is recognised on timing differences between the accounting income and taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognized and carry forward to the extent that there is a reasonable or virtual certainty, as may be applicable, that sufficient future taxable income will be available against which such deferred tax asset can be realized.

11) EARNINGS PER SHARE

EPS is worked out as per AS 20.

12) CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations.

13) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized when the company has present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date.

14) LEASES

14.1 Finance Lease

The Company has not entered in to finance lease arrangements.

14.2 Operating lease

Operating leases are mainly in the nature of lease of office premises with no restrictions and are renewable by mutual consent. There are no restrictions imposed by lease arrangements.
